Dear Counsel:

Judge Piazza has asked me to notify you that he would like to take an additional week to consider the case law, briefs of parties, and arguments of counsel. He feels confident that he will have a ruling for the parties no later than Friday, May 9th.

On the day that the ruling is to be filed, this office will contact the attorneys of record to inform them that the order is prepared. Furthermore, we will advise the attorneys of a more specific timeframe when the order will be filed and accessible on the Pulaski Clerk's website.

If you have additional questions, please feel free to contact me at 501.340.8647.

Sincerely,

Summer W. McCoy
